REVIEWED REPORT ON INTERIM FINANCIAL INFORMATION

To: The shareholders
 The Board of Management and Directors of
 Vinacomin - Investment, Trading & Services Joint Stock Company

We have reviewed the accompanying Interim Financial Statements of Vinacomin - Investment, Trading & Services Joint Stock Company prepared on 27 August 2026, as set out from page 06 to page 43 including: Interim Separate Statement of Financial Position as at 30 June 2026, Interim Separate Income Statement, Interim Separate Cash Flow Statement and Notes to the Interim Separate Financial Statements for the accounting period ended 30 June 2026.

Responsibilities of the Board of Directors

The Board of Directors is responsible for the preparation and fair presentation of the Company's Interim Financial Statements in accordance with Vietnamese accounting standards, Vietnamese Corporate accounting system and other prevailing legal regulations, and for such internal control as the Directors determines is necessary to enable the preparation of Interim Financial Statements that are free from material misstatement, whether due to fraud or errors.

Responsibilities of auditors

Our responsibility is to express a conclusion on these Interim Separate Financial Statements based on our review. We have conducted our review in accordance with Vietnamese Standards on Review Engagements No.2410 - Review of Interim Financial Information Performed by the Independent Auditor of the Entity.

A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Basis for qualified audit conclusion

As presented in Note 5.3 and 5.5 - Notes to the Interim Separate Financial Statements, the Company has overdue debts as at 30 June 2026 with a total amount of VND 17,588,031,301 (*balance of trade receivables was of VND 16,550,803,826 and other receivables was of VND 1,037,227,475; overdue debts as at 31 December 2025 was of VND 16,108,025,612*) but according to the Company's assessment, the above overdue debts are still recoverable, so the Company has not made provisions for doubtful debts. With the documents provided by the Company, we cannot determine the amount of provision for doubtful debts to be made as at 30 June 2026. Therefore, we cannot determine whether it is necessary to adjust these items on the Interim Separate Financial Statements.

Qualified conclusion

Except for the effects of the matter described in the "Basis for qualified audit conclusion" paragraph, based on our review result, nothing has come to our attention that causes us to believe that the accompanying Interim Separate Financial information does not give a true and fair view, in all material respects, of the financial position of Vinacomin - Investment, Trading & Services Joint Stock Company as at 30 June 2026, and of its financial performance and its cash flows for the accounting period the ended in accordance with the Vietnamese Accounting Standards, Vietnamese Corporate Accounting System and other prevailing legal regulations on preparation and presentation of the Interim Separate Financial Statements.

Emphasis matters

As presented in Note 7.2 - Notes to the Interim Separate Financial Statements, we also want to recommend the readers that as at 30 June 2026 the Company has prepayment of VND 28,657,810,000 to Scandinavian Heavy Equipment Company is related to the batch of Scania dump trucks imported to Hai Phong port but the Vietnam Register did not approve the registration application for inspection and was not instructed to complete the registration application. The Company filed a lawsuit against the Vietnam Register at the Hanoi People's Court in October 2022. The High People's Court in Hanoi conducted the first-instance trial on 19 February 2025 and the appellate trial on 17 September 2025. The Company submitted a request for cassation review to the Supreme People's Court on 06 August 2026.
